Fun for Seniors

Yay – school's out and so are the Seniors! We have glorious Summer weather to enjoy, the recent rains have poured blessing on the farmers and the Northern wildfire fighters and indeed our gardens! We hosted a group of cyclists from Saskatoon last week which was fun – we admire their tenacity as their route went north from here to Batoche, west to Borden and south back to Saskatoon. Flushed with success in the parade where we won a First in Class ribbon, we have all galloped off into the sunset and will return in September with information about the Fall program in October – *JOIN US THEN!*
