Railway Disturbances:

Occasionally we hear concerns that the local Rail Repair Company creates disturbing noises at odd hours of the evening/night... Just to clear any misconceptions, the Rail Repair Company operates from approximately 7am to 5pm Monday – Friday. Evening/night time operations are conducted by Carlton Trail and times are controlled by CNR and any municipal noise bylaws exempt this type of noise: local municipalities do not want to hamper the provincial / national transportation network.

Hague Town Office will be closed for Family Day on Monday, February 15th.

Recycling Plastics for Hague Residents Only!

Plastics can be placed in the blue bin located north of the Canada Post on Main Street.

**Recycling for paper / cardboard / tin / glass is picked up curbside Thursday mornings.

Thank you!

Utility and Tax Payments can be made online when you bank with the Affinity Credit Union, Royal Bank or Scotiabank.

We ask residents to clear a path to their water meters to ensure safe access for our Public Works Dept. to record their readings.

We appreciate your efforts!

Parking / Snow Clearing:

Trailers, campers and unlicensed vehicles **MUST** be removed from the streets and alleys to enable town personnel to adequately remove snow. As per Bylaw No. 2007-08 no vehicle may be parked at one place for more than 48 consecutive hours.

Extension cords are your own responsibility.

It is difficult for public works to see the cords while they are blowing snow. Piling snow in the alleys is not allowed due to emergency reasons and preventing spring thaw problems for yourselves and others. Do not pile snow on the streets due to liability issues: obstruction for drivers. Attraction of kids to play in dangerous locations!

Going on Vacation this Winter?

To avoid the inconvenience of a possible frozen water line, please have someone run the water in your house regularly or leave a small trickle running.

Fun for Seniors

Hague Horizons 55+ Group

Greetings to members of our Community and beyond! Have you noticed? The days ARE getting longer! Already at the end of January! The next date on our calendar is a **Valentine's Celebration Supper on February 11th**. Please note the start time will be **half an hour later at 6:00** owing to a prior hall booking. This is sure to be a feast but also includes some local entertainment, songs and general merriment! Our January supper was delicious as usual and Denese Epp's presentation on her MCC Learning Tour of Cambodia really opened our eyes to the great work MCC is involved in, not only trying to mend the fabric of family life and culture, so broken by the decades of destructive and cruel Communist rule, but repairing structural damage wreaked by storms and flooding. **Don't forget to ring Justina Derksen: 1-306-225-4570** to book your meal- (we are no longer able to contact everyone individually)
