Town of Hague Performance Bond Policy states that any construction started before a permit has been applied for and approved is subject to double the permit fee up to an additional \$500. You are encouraged to contact the Town Office if you are considering any type of construction!

We ask residents to clear a path to their water meters to ensure safe access for our Public Works Dept. to record their readings. *We appreciate your efforts!*

2015 Annual Yard Decorating Contest Winners!

Best Tree/Trees: 211 Main Street
Best Scene: 210 Centennial Road
Best Lights: 205 Centennial Road
Most Original: 133 South Service Road

Congratulations to our winners & thank you to all who helped to make the Town look festive!

Parking / Snow Clearing:

Trailers, campers and unlicensed vehicles **MUST** be removed from the streets and alleys to enable town personnel to adequately remove snow. As per Bylaw No. 2007-08 no vehicle may be parked at one place for more than 48 consecutive hours.

Extension cords are your own responsibility.

It is difficult for public works to see the cords while they are blowing snow. Piling snow in the alleys is not allowed due to emergency reasons and preventing spring thaw problems for yourselves and others. Do not pile snow on the streets due to liability issues: obstruction for drivers. Attraction of kids to play in dangerous locations!

Going on Vacation this Winter?

To avoid the inconvenience of a possible frozen water line, please have someone run the water in your house regularly or leave a small trickle running.

Congratulations to Jim Heinbigner for receiving the
