Recycling Plastics for Hague Residents Only!

Plastics can be placed in the blue bin located north of the Canada Post on Main Street. **Do not** dispose any other kinds of material or garbage. *Thank you!*

Outstanding Utility Bills:

Just a reminder that all outstanding utility bills from 2016 will be added to the tax roll for property by the end of January 2017. Please ensure your prompt payment.

If you wish to pay utilities or taxes through online banking, we are set-up with Affinity Credit Union, Royal Bank, Scotia Bank & Telpay. For more info, call the Hague Town Office at 306-225-2155.

Building Permits are required for: New building construction; garage and carports; decks; mobile homes; renovations, alterations, relocations, demolitions and additions to existing buildings; basement development; change of use; swimming pools and hot tubs; temporary buildings and retaining walls.

Town of Hague Performance Bond Policy states that any construction started before a permit has been applied for and approved is subject to double the permit fee up to an additional \$500. You are encouraged to contact the Town Office if you are considering any type of construction!

We ask residents to keep a clear path to their water meters to ensure safe access for our Public Works Dept. to record their readings.

We appreciate your efforts!

Parking / Snow Clearing:

Trailers, campers and unlicensed vehicles **MUST** be removed from the streets and alleys to enable town personnel to adequately remove snow. As per Bylaw No. 2007-08 no vehicle may be parked at one place for more than 48 consecutive hours.

Extension cords are your own responsibility.

It is difficult for public works to see the cords while they are blowing snow. Piling snow in the alleys is not allowed due to emergency reasons and preventing spring thaw problems for yourselves and others. Do not pile snow on the streets due to liability issues: obstruction for drivers, attraction of kids to play in dangerous locations!

Going on Vacation this Winter?

To avoid the inconvenience of a possible frozen water line, please have someone run the water in your house regularly.

Community in Bloom Committee Members

The Town of Hague is looking for residents interested in forming a Communities in Bloom Committee. 2016 was the first year we participated and would like to see this community improvement program continue. Contact the Town Office if this interests you.

Donation of Blankets We have had a request for gently used blankets for our local first responders to use for the comfort of individuals in distress at an emergency scene. If you have any new or used blankets you would like to donate, please drop them off at the town office.

Seasonal Tips: Get rid of the tree after Christmas or when its dry. Dried-out trees are a fire danger and should not be left in the home, garage, or placed outside against the home. Bring outdoor electrical lights inside after the holidays to prevent hazards and make them last longer.
