

Newsletter July 2016

Hague Town Office will be closed for Canada Day on Friday, July 1st.

Building Permits: Town of Hague has received approval for use our new zoning and Official Community Plan (OCP). If you had any construction planned, please come in and see how this may affect your plans.

Utility and Tax Payments

Town of Hague accepts online payments for utility and taxes if you bank with: Affinity Credit Union, Royal Bank or Scotiabank.

Communities in Bloom: This year our Town is taking part in the National CIB competition. Judges will be evaluating our town in early August. Contrary to what the name implies, judges assess more than just floral displays.... There are 8 potential categories for review. We encourage the community to become involved, keeping a tidy town will provide higher bloom ratings and result in Community Pride! If one of the categories for review are floral displays up to two residential properties can be included – if you would allow judges to evaluate your yard please contact the Town Office, we would be proud to add them to the local judging tour! Your Contributions Make a Difference!

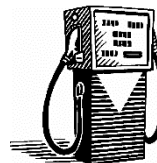

Tree Trimming: Summer weather is seeing everything sprout up green – including the trees along the sidewalks. For pedestrian enjoyment we ask that any branches that hang over the public sidewalk be trimmed back. For any branches not trimmed in due time, the Public Works will be trimming as they see fit.
