**Working smoke alarms save lives  
Test yours every month!**

- Install smoke alarms on every level of your home.
- Larger homes may need additional smoke alarms to provide enough protection.
- In the kitchen, smoke alarms should be installed at least three meters from cooking appliances. This helps prevent false alarms.
- Check smoke alarms using the test button at least once a month or as recommended by the manufacturer.
- Change the battery in your smoke alarm yearly.
- Dust or vacuum smoke alarm annually and/or whenever the battery is changed.
- Make sure everyone in the home understands the warning sound of the smoke alarm.
- Immediately replace smoke alarms when they are ten years old or if they do not respond properly when tested.

**Important Reminder:** Please contact the Hague Town Office to update your contact information such as phone numbers and e-mail addresses.

A chilly HELLO from Hague Horizons Seniors! I guess we should be grateful we don't live in Boston!

Come and join us every Tuesday 2-4 drop-in for social, coffee, cake and activities continue with a steady number attending- a warm welcome awaits!

Great news about the Safer Driving course- April 8<sup>th</sup> has been booked in the Municipal Hall- plenty of space for extra people to attend and you don't actually have to demonstrate any driving skills. This is something all the over 55s can do with- it wasn't yesterday we had our learner's licence! Call Alma: 225 4466 to book.

If February is the month for romance March must be the month of St Patty's Day Madness! Come and join us at the Shamrock Supper on March 12. John and Pat will be setting the pace for some "Goings-On"! Dig in your closets (or the dollar store) as there will be a prize for the person(s) coming the MOST GREEN! Call Justina 225 4570 to book your meal.

Hague are also sending a team to compete in the area Seniors Bowling Challenge in P.A. in March- we wish them luck but know they will have a really fun week end!

**THINK GREEN.....**
