Community Meeting!!!

Town of Hague residents are invited to a
Community Meeting on:

Wednesday, March 9th, 2016

7:00 p.m - Hague Municipal Hall

to listen to a short presentation and update from the Sask Valley Hospital Foundation Fundraising Committee. The new hospital project has been in progress since 2010. The Twin Rivers communities are currently in the fundraising stage. Twin Rivers consists of the Towns of Hague, Rosthern, Waldheim, Duck Lake, Hepburn and Laird along with the RM's of Rosthern, Laird and Duck Lake. We have worked together to develop the Twin Rivers District Plan and Twin Rivers Development Commission (to assist with development requests in the area); the Twin Rivers Development Appeals Board; Twin Rivers Bylaw Enforcement (for those communities taking part) in addition to actively lobbying for a new hospital in Rosthern.

Your attendance is encouraged as each municipality must raise a percentage of funds and it possibly will affect your annual property tax levy.

Come out, have a coffee and share your ideas!

We ask residents to clear a path to their water meters to ensure safe access for our Public Works Dept. to record their readings.

We appreciate your efforts!

Parking / Snow Clearing:

Trailers, campers and unlicensed vehicles **MUST** be removed from the streets and alleys to enable town personnel to adequately remove snow. As per Bylaw No. 2007-08 no vehicle may be parked at one place for more than 48 consecutive hours. **Extension cords are your own responsibility.** It is difficult for public works to see the cords while they are blowing snow. Piling snow in the alleys is not allowed due to emergency reasons and preventing spring thaw problems for yourselves and others. Do not pile snow on the streets due to liability issues: obstruction for drivers. Attraction of kids to play in dangerous locations!

Thank You
