To Whom It May Concern:

Hague Minor Ball is a non-profit organization that runs the Softball program in our community. Therefore, we rely on our community and businesses that our families support year-round to help our teams out with fundraising and donations.

Our minor ball program has continued to grow over the last 3 years. We are proud to say we now have a Sask Valley league for ages 5 to 14. We expect continued growth and hoping for a U16 league to open up in the future. Due to the growth we do not have enough Jerseys for each team. Our Jerseys are also old and out of date. Therefore we are asking if you would like to be a Jersey sponsor with a promise to advertise your business throughout the ball season. There is also financial support needed for some upgrades such as a new batting cage and pitching machine for our ball program.

If you feel you would like to make a business or personal donation that would be greatly appreciated.

Thank you in advance for your support!

Sincerely,

Dana Bergen & Tanya Derksen
